

# Chicago Okinawa Kenjinkai Announcements

The winner of the contest to design the next generation Chicago Okinawa Kenjinkai T shirt is Mari Jocson. The design idea had to incorporate the concepts of Chicago and Okinawa into one recognizable design. Mari designed a Shisa using the prefectural symbol for Okinawa as the eyes and the city skyline of Chicago as the teeth. The Shisa is a mythical creature brought from China to Okinawa in the days of the Ryukyu Kingdom. Shisa can be seen all over the island of Okinawa as they are believed to welcome good spirits and chase away evil spirits. Congratulations Mari!
